

Mobile. Powerful. Flexible.

Clover® Flex is the mobile-optimized point of sale for all your takeout and delivery needs. Accept all major payment types, including contactless, anywhere – in your restaurant, curbside, and for deliveries.

Accept **Contactless** Payments With Clover Flex

Go 100% mobile

Transact anywhere with the fully mobile Flex. Easily take payments curbside or in the restaurant and use for deliveries. The Flex has a built-in receipt printer and can also text or email receipts.

Accept all major payment types

Let guests pay how they want. Swipe, dip or tap. Credit or debit. Contactless payments, including Apple Pay®, Google Pay®, WeChat Pay®, Alipay® and more.

Flex your business muscle

Simplify the way you do business with the best-in-class tools that come with the Flex. Build a loyalty program, offer a gift card program, manage your employees, keep track of inventory and more with Clover.

Rent, buy or lease your Clover Flex

- **Flexible** – Ask your Business Consultant about the purchase option that's best for you
- **Secure** – Protect information with end-to-end encryption and data tokenization, integrated EMV® chip sensors and fingerprint logins. Transact safely with contactless payment
- **24/7/365 Support** – Help whenever you need it

Curbside, delivery, takeout orders and more

- Take orders and payment curbside with ease
- Perfect for contactless payment during deliveries
- Online ordering capabilities are included with most software options*
- Loyalty and gift card programs help drive repeat business
- Keep employees and guests safe with contactless and mobile payment
- Never miss a sale with up to eight hours of battery life and 4G/LTE

* Works with Clover Station, Station Pro or Clover Mini.

Flexibility – It’s baked right into the name

Clover Flex is purpose-built to fit your needs and adapt to any situation. Whether you’re fulfilling orders on a counter, pickup window or tabletop, curbside, drive-thru or delivery, we’ve got your back.

Sales-ready and fast

Start taking orders out of the box, with minimal set-up and training. Speedy setup, fast unlocks, super responsive touch-screen, three-second* transactions, 4G/LTE connectivity and more.

Anytime, anywhere access

Access and manage your back-of-house data, reports and payroll from anywhere you need to run your business: in your restaurant, at home or on the road.

Manage your menu from anywhere

Build your menu in no time. Categories, labels and modifiers help you keep everything organized and up to date.

Maximum reliability

Get ready to ring up sales all day long. Wi-Fi and 4G/LTE connectivity powered by a lithium-ion battery that gives you no-fail redundancy.

Keep guests coming back

Build loyalty, get direct feedback, create promotions and manage customer information with Clover. Plus, engage with your guests through the free Clover mobile app.
